TERMS OF USE

1. Introduction and Acceptance of Terms

Carezaar operates a website, mobile applications, and related services (collectively, the “Platform”) designed to match individuals seeking care (“Care Needers”) with individuals providing care services (“Caregivers”). These Terms of Use (“Terms”) govern your access to and use of the Platform. By accessing or using the Platform, you acknowledge that you have read, understood, and agree to be bound by these Terms. If you do not agree to these Terms, you must not access or use the Platform. The English version of these Terms is the official version. Any translations provided are for convenience only. If a translated version conflicts with the English version, the English version will control, to the extent permitted by applicable law. Carezaar may update these Terms from time to time. If we make material changes, we will provide notice through the Platform or by other appropriate means when required by applicable law. Changes will become effective on the date specified in the updated Terms, subject to any notice or consent requirements under applicable law.

Welcome to Carezaar (the “Platform”), operated by Carezaar LLC (“Carezaar,” “we,” “us,” or “our”). Carezaar operates a technology platform designed to connect individuals seeking care (“Care Needers”) with individuals providing care services (“Caregivers”). Carezaar facilitates connections between users but does not directly provide, perform, or deliver caregiving, personal care, home care, nursing, or other healthcare services. Carezaar is a matching platform only. Unless expressly stated otherwise in a separate written agreement, Carezaar does not act as an employer, staffing agency, healthcare provider, or home care agency, and does not itself employ Caregivers or provide care to Care Needers. Any care arrangements, employment relationships, service agreements, and payments between users are separate from Carezaar, except for any specific platform features or arrangements expressly provided by Carezaar. Your use of Carezaar’s website, mobile applications, software, products, and services (collectively, the “Services”) is subject to these Terms of Use (“Terms”). THESE TERMS SET FORTH THE LEGALLY BINDING TERMS AND CONDITIONS THAT GOVERN YOUR ACCESS TO AND USE OF THE PLATFORM AND SERVICES. BY CLICKING “I ACCEPT,” COMPLETING THE REGISTRATION PROCESS, OR ACCESSING OR USING THE PLATFORM OR SERVICES, YOU ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTOOD THESE TERMS AND AGREE TO BE BOUND BY THEM. IF YOU ACCEPT THESE TERMS ON BEHALF OF AN ENTITY, YOU REPRESENT AND WARRANT THAT YOU HAVE THE AUTHORITY TO BIND THAT ENTITY TO THESE TERMS. YOU MUST BE AT LEAST 18 YEARS OLD TO REGISTER FOR OR USE THE SERVICES. BY ACCESSING OR USING THE PLATFORM, YOU REPRESENT THAT YOU MEET THIS AGE REQUIREMENT. IF YOU DO NOT AGREE TO THESE TERMS, YOU MUST NOT ACCESS OR USE THE PLATFORM OR SERVICES.

Please review the following Terms carefully. You may access the Carezaar Platform or use its Services as a “Visitor,” meaning that you browse the Platform without creating an account, or as a “Member,” meaning that you have registered for and established an account with Carezaar (your “Account”). Visitors and Members may have different rights and responsibilities under these Terms.

Your use of certain features or Services offered through the Carezaar Platform may be subject to

additional terms and conditions ("Supplemental Terms"). If applicable, these Supplemental Terms will be presented to you for review and acceptance before you use the relevant feature or Service. If these Terms of Use conflict with any Supplemental Terms, the Supplemental Terms will control solely with respect to the specific feature or Service they address, unless otherwise expressly stated. Once accepted, the Supplemental Terms are incorporated into and form part of these Terms of Use.

IMPORTANT NOTICE REGARDING DISPUTE RESOLUTION PLEASE BE AWARE THAT SECTION 19 OF THESE TERMS OF USE, IF APPLICABLE, CONTAINS PROVISIONS GOVERNING HOW DISPUTES BETWEEN YOU AND CAREZAAR ARE RESOLVED. THESE PROVISIONS MAY INCLUDE AN ARBITRATION AGREEMENT THAT REQUIRES CERTAIN DISPUTES TO BE RESOLVED THROUGH BINDING ARBITRATION RATHER THAN IN COURT, SUBJECT TO ANY APPLICABLE EXCEPTIONS. PLEASE REVIEW SECTION 19 CAREFULLY TO UNDERSTAND YOUR RIGHTS AND OBLIGATIONS.

Changes to These Terms and Arbitration Notice Carezaar may update these Terms of Use from time to time. When changes are made, we will make the updated Terms available on the Carezaar Platform and, where appropriate or required by applicable law, provide notice of material changes. The updated Terms will specify their effective date, and any required consent will be obtained where applicable. Arbitration and Class Action Waiver IF SECTION 19 OF THESE TERMS CONTAINS AN ARBITRATION AGREEMENT, AND YOU AGREE TO THAT AGREEMENT, CERTAIN DISPUTES MAY BE REQUIRED TO BE RESOLVED THROUGH INDIVIDUAL BINDING ARBITRATION, SUBJECT TO ANY APPLICABLE EXCEPTIONS OR OPT-OUT RIGHTS. TO THE EXTENT PERMITTED BY APPLICABLE LAW AND SUBJECT TO THE TERMS OF SECTION 19, YOU MAY BE REQUIRED TO PURSUE CLAIMS AGAINST CAREZAAR ON AN INDIVIDUAL BASIS RATHER THAN AS A PLAINTIFF OR CLASS MEMBER IN A CLASS OR REPRESENTATIVE ACTION. AN APPLICABLE ARBITRATION AGREEMENT MAY ALSO AFFECT YOUR RIGHT TO HAVE A DISPUTE DECIDED IN COURT OR BY A JURY. PLEASE READ SECTION 19 CAREFULLY.

Governing Law

These Terms of Use and any dispute or claim arising out of or relating to your access to or use of the Carezaar Platform or Services will be governed by the laws of the State of North Carolina, without regard to its conflict-of-law principles, except where applicable federal law governs. Any arbitration agreement contained in these Terms will be subject to the Federal Arbitration Act, where applicable. The United Nations Convention on Contracts for the International Sale of Goods does not apply to these Terms.

Changes to These Terms of Use Carezaar may update these Terms of Use from time to time at its discretion. When changes are made, we will make the updated Terms available on the Carezaar website and within the mobile application, where applicable, and update the "Last Updated" date at the top of the Terms. If we make material changes, we will provide notice to registered Members by email to the most recent email address associated with their Accounts or through the Platform, as appropriate and where required by applicable law. Changes will take effect on the date specified in the updated Terms, subject to any applicable notice and consent requirements. Carezaar may require you to review and accept updated Terms before continuing to use certain features or Services, where appropriate or required by applicable law. If you do not agree to the updated Terms, you must stop accessing and using the Platform and Services. Your continued use of the Platform or Services after the updated Terms take effect constitutes acceptance of the revised Terms, to the extent permitted by applicable law. Please review the Terms of Use periodically to stay informed about the current terms governing your use of Carezaar.

• All information you provide to Carezaar is true, accurate, current, and complete.

• You will comply with these Terms of Use and all applicable laws and regulations.

• You agree not to use the Carezaar Platform for any unlawful, fraudulent, misleading, or unauthorized purpose. Caregivers are solely responsible for ensuring that they meet any applicable legal requirements, qualifications, licenses, certifications, and work authorization requirements necessary to provide the care services they offer. Caregivers are also responsible for determining whether they need to obtain background checks or other screening required by applicable law or by the individuals or organizations with whom they choose to work. Carezaar is a technology platform that facilitates connections between Care Needers and Caregivers. Carezaar does not directly provide care services, employ or hire Caregivers, conduct background checks, verify professional qualifications or licenses, or guarantee the suitability, availability, or quality of any Caregiver or match, unless expressly stated otherwise in writing. Carezaar does not guarantee that users will find a suitable match or enter into a care arrangement. Users are responsible for independently evaluating one another and deciding whether to enter into any arrangement. Carezaar reserves the right to restrict or suspend access to the Platform for violations of these Terms or applicable law.

2. Member Accounts Visitors may browse portions of the Carezaar Platform without creating an account. Access to certain features and Services requires registration and the creation of an account ("Account"). During registration, you may be required to select an email address and password or use another authentication method supported by the Platform (collectively, "Account Credentials"). You agree to provide accurate, current, and complete information when creating your Account and to promptly update that information whenever necessary to keep it accurate and complete. You must take reasonable steps to maintain the confidentiality and security of your Account Credentials. You may not share your Account Credentials with unauthorized third parties or transfer your Account to another person without Carezaar's prior written consent. You are responsible for activities conducted through your Account, except to the extent that applicable law provides otherwise. You agree to notify Carezaar promptly if you become aware of any unauthorized access to or use of your Account. Carezaar may take reasonable steps to protect the Platform, its users, and your Account, including suspending access where appropriate and consistent with applicable law. You may not create multiple Accounts for yourself for deceptive or fraudulent purposes, or create an Account on behalf of another individual or organization unless you have the authority to do so. If you create an Account on behalf of another person, including a family member seeking care, you represent and warrant that you have the legal authority or permission necessary to act on that person's behalf and to provide any information required to use the Platform. You agree to ensure that the person you represent is informed of these Terms and agrees to them where required. Carezaar is a

matching platform that facilitates connections between Care Needers and Caregivers. Creating an Account does not guarantee that you will receive a match, find a Caregiver, or obtain care services. Any care arrangements made between users are subject to their own agreements and applicable law.

B. Member Verification

1. Carezaar provides a technology platform that facilitates connections between individuals seeking care ("Care Needers") and individuals offering care services ("Caregivers"). Carezaar does not conduct background checks, independently verify user identities, or verify professional licenses, certifications, qualifications, or other credentials unless expressly stated otherwise in writing. You are responsible for making your own decisions about other users you interact with or connect with through the Platform. Before entering into any care arrangement, you should independently evaluate the other user, confirm any information relevant to your decision, and determine whether the proposed arrangement is appropriate for your needs. Carezaar does not guarantee the identity, qualifications, experience, reliability, suitability, or conduct of any user. Information provided by users is their own responsibility, and Carezaar does not guarantee that such information is accurate, complete, or current. Carezaar is not responsible for independently investigating users or for the outcome of any interactions, arrangements, or services between users, except to the extent liability cannot be excluded under applicable law.

2. No Background Checks or Independent Verification by Carezaar

Carezaar does not routinely conduct or perform criminal background checks, sex offender registry checks, motor vehicle record checks, identity verification, employment history checks, credit checks, or professional credential verification on Caregivers or Care Needers. Carezaar does not employ or hire Caregivers and does not make employment or placement decisions on behalf of users. Users are responsible for conducting any checks they consider necessary and for complying with applicable laws when evaluating or engaging other users. By using the Platform, you acknowledge that Carezaar is a matching platform and that connecting with another user through Carezaar does not constitute an endorsement, certification, or guarantee of that user's identity, qualifications, background, or suitability. Nothing in this section excludes or limits any responsibility or liability that cannot legally be excluded or limited under applicable law.

Carezaar Is a Matching Platform Only

1. Role of the Platform

Carezaar LLC ("Carezaar," "we," "us," or "our") operates a technology platform that uses artificial intelligence (AI) and information provided by users to help connect individuals seeking care ("Care Needers") with individuals offering care services ("Caregivers"). Carezaar acts solely as a platform to facilitate connections between users. Carezaar does not itself provide, perform, arrange, or supervise caregiving, personal care, home care, nursing, medical, or other healthcare services. Carezaar is not a healthcare provider, medical practice, home care agency, home health agency, nursing registry, employer, or staffing agency solely by virtue of operating the Platform. The Platform allows Care Needers and Caregivers to create profiles, discover potential matches, review information, and communicate through

available features. Users are solely responsible for independently evaluating one another and deciding whether to enter into any arrangement. Carezaar does not guarantee that a match will be available, suitable, or successful.

2. AI-Assisted Matching

Carezaar uses AI-assisted technology to help identify potential matches based on information provided by users and the criteria supported by the Platform.Matching results, profiles, recommendations, and AI-generated outputs are provided for informational and matching purposes only. They do not constitute medical advice, diagnosis, treatment, a clinical assessment, or a guarantee that a Caregiver is suitable for a particular Care Needer. AI-assisted results may be incomplete, inaccurate, or affected by limitations in the information or technology used. Users must independently evaluate potential matches and should not rely solely on AI-generated results when making decisions about care.

3. Independent Arrangements Between Users

Carezaar does not employ, hire, or engage Caregivers as its employees or independent contractors merely because they use the Platform or receive a match. Any employment relationship, independent contractor relationship, service agreement, compensation arrangement, or other agreement between a Care Needer and a Caregiver is established independently by the relevant parties. Users are responsible for determining the terms of their arrangements, including the services to be provided, compensation, scheduling, and other applicable conditions. Carezaar does not participate in or supervise the delivery of care services and is not responsible for determining the terms of arrangements between users, except for any specific Platform features or obligations expressly undertaken by Carezaar. Any disputes relating to services provided, payment owed, employment, or other arrangements between users should be addressed by the parties involved, subject to applicable law and any rights or obligations that cannot legally be excluded.

4. No Background Checks or Credential Verification

Carezaar does not conduct background checks or independently verify users' identities, criminal histories, licenses, certifications, professional qualifications, employment histories, or other credentials unless expressly stated otherwise in writing. Information appearing in user profiles is provided by users and is not necessarily independently verified by Carezaar. Carezaar makes no guarantee that such information is accurate, complete, current, or reliable. Care Needers are responsible for evaluating Caregivers and independently confirming any qualifications, credentials, references, background information, or other details they consider necessary before entering into an arrangement. Caregivers are responsible for accurately representing their qualifications and ensuring that they meet applicable legal requirements for the services they offer.

5. Responsibilities and Limitations

Carezaar does not:

• Provide, perform, or deliver healthcare, medical, nursing, personal care, or other caregiving services.

• Diagnose medical conditions, prescribe treatment, or assess medical necessity.

• Create, approve, or supervise clinical care plans.

• Direct or supervise Caregivers' professional judgment or the delivery of care services.

• Employ or hire Caregivers or automatically classify them as Carezaar employees or contractors.

• Conduct background checks or independently verify professional licenses, certifications, or credentials.

• Guarantee the availability, quality, safety, suitability, or outcomes of any Caregiver or care arrangement.

• Guarantee that any match will meet a user's needs or expectations.

• Provide emergency monitoring, emergency response, or emergency medical services.

• Determine whether care services qualify for insurance coverage or reimbursement.

Caregivers must not offer or perform services beyond the scope of their lawful qualifications, authorizations, or professional practice. Care Needers are responsible for evaluating whether a proposed arrangement meets their needs and complies with applicable law.

6. User Conduct and Emergency Situations

Carezaar does not continuously monitor users or supervise interactions or care arrangements made through the Platform. Users are responsible for exercising appropriate judgment and taking reasonable precautions when communicating with or meeting other users. The Platform is not intended for emergency response. In an emergency, users should contact 911 or the appropriate local emergency service.

7. Limitation of Responsibility

To the fullest extent permitted by applicable law, Carezaar disclaims responsibility for the acts, omissions, representations, qualifications, conduct, or services of users, including any care services provided by Caregivers or any arrangements entered into between Care Needers and Caregivers. To the fullest extent permitted by applicable law, Carezaar will not be liable for losses or damages arising from interactions between users, the provision or receipt of care services, a user's reliance on profile information or AI-assisted matching results, or arrangements independently entered into by

users, except where such liability cannot legally be excluded or limited. Nothing in these Terms excludes or limits liability that cannot legally be excluded or limited under applicable law.

1. Caregiver Requirements and Responsibilities:

Caregivers using the Carezaar Platform agree to provide accurate, current, and complete information in their profiles and when communicating with other users. Caregivers are responsible for:

• Providing truthful information about their experience, skills, qualifications, licenses, and certifications, if any.

• Providing certification information voluntarily through the Platform. Listing a certification is optional unless a particular service or activity requires it under applicable law.

• Ensuring that any licenses, certifications, qualifications, or authorizations required by applicable law for the services they offer are valid and maintained.

• Updating their profiles if information they have provided about their qualifications, licenses, or certifications becomes inaccurate or changes.

• Offering or providing services only within the scope of their lawful qualifications, training, and professional authorization.

• Declining requests for services they are not qualified or legally authorized to provide.

• Complying with applicable laws, regulations, professional standards, and mandatory reporting obligations that apply to them.

• Following applicable safety, infection-control, and other requirements relevant to the services they independently agree to provide.

• Not claiming to be employees, agents, or official representatives of Carezaar. Carezaar is a technology platform that facilitates connections between Caregivers and Care Needers.

Carezaar does not employ Caregivers, conduct background checks, or independently verify their licenses, qualifications, certifications, or professional standing. The presence or absence of certification information in a Caregiver's profile does not constitute verification or endorsement by Carezaar.

Carezaar may restrict, suspend, or terminate an account or remove profile information when appropriate under these Terms, including in response to suspected fraudulent information, reported violations, or safety concerns, subject to applicable law. Caregivers remain responsible

for the accuracy of their profile information, their qualifications and conduct, and any services they independently agree to provide through connections made on the Platform.

2. License to Use the Platform

Subject to these Terms of Use, Carezaar LLC ("Carezaar") grants you a limited, non-exclusive, non-transferable, and revocable license to access and use the Carezaar website, mobile applications, and related features and services (collectively, the "Platform") on devices that you own or control, solely for your personal use or legitimate internal business purposes in accordance with these Terms. You understand and acknowledge that the software, source code, design, features, AI-assisted matching technology, proprietary methods, systems, and other technology used to operate the Carezaar website, mobile applications, and related services (collectively, "Carezaar Technology") are owned by Carezaar LLC or its applicable licensors and are protected by United States and international intellectual property laws.

Except as expressly permitted by these Terms or applicable law, you may not copy, modify, reproduce, distribute, republish, transmit, sell, sublicense, or otherwise exploit any part of the Carezaar Technology without prior written authorization from Carezaar LLC or the applicable rights holder.

You agree to respect all copyright notices, trademarks, proprietary information, and other intellectual property rights associated with the Platform. Payments and Fees

1. Free Access at Launch

At launch, Carezaar provides access to its Platform without charging users a fee to register for an account or use the Platform's standard matching features. Carezaar is a technology platform that facilitates connections between individuals seeking care ("Care Needers") and individuals offering care services ("Caregivers"). Carezaar does not directly provide care services, employ Caregivers, or collect payments for caregiving services arranged independently between users.

2. Future Fees and Paid Features

Carezaar reserves the right to introduce paid features, premium services, subscription plans, or other fees in the future. If we introduce any paid features or services, we will disclose the applicable fees and payment terms before you are charged or become obligated to pay. Any future paid features or subscriptions will be subject to the applicable terms presented at the time of purchase, including any billing, renewal, cancellation, and refund provisions. Where required by applicable law, Carezaar will obtain your consent before charging you for a paid feature or subscription. Carezaar may modify the features available on the Platform or introduce new features from time to time, subject to these Terms and applicable law.

3. Payments Between Care Needers and Caregivers

Carezaar facilitates connections between Care Needers and Caregivers but does not itself provide caregiving services or determine the compensation for services independently arranged between users. Unless Carezaar expressly introduces a payment-processing feature under separate terms, Care Needers and Caregivers are responsible for establishing and managing their own payment arrangements, including compensation, payment methods, and payment timing. Carezaar does not guarantee payment between users and is not responsible for collecting or paying amounts owed under arrangements independently entered into by users.

4. Third-Party Payment Providers

If Carezaar introduces payment processing or other payment-related features in the future, those features may be subject to additional terms and conditions from Carezaar or the applicable third-party payment provider. Any applicable fees, payment procedures, and relevant terms will be disclosed before users use those features. The collection, processing, and protection of payment information will be handled in accordance with the applicable Privacy Policy and relevant legal requirements.

1.Text Messages

Carezaar may offer SMS text messages to users in connection with account registration, account security, notifications, matching activity, and other Platform-related communications. Where required by law, you must provide the appropriate consent before receiving SMS messages. Consent to receive marketing text

messages is not a condition of creating an account or using the Platform. Message frequency may vary, and message and data rates may apply depending on your mobile carrier and plan. You may opt out of SMS messages by replying STOP where supported or by following the instructions provided in the message. For assistance, contact Carezaar using the contact information provided on the Platform. Certain essential service or account-related communications may still be sent through other available channels. Carezaar does not control mobile carrier networks and cannot guarantee the delivery, timing, or availability of SMS messages. You are responsible for any standard carrier charges associated with receiving messages, except where prohibited by applicable law.

2. Community and Communication Features

Carezaar may offer features that allow Care Needers and Caregivers to communicate, exchange information, and interact through the Platform. Available features may include messaging, profile sharing, notifications, or other communication tools. These features are intended to facilitate connections between users. Carezaar does not provide caregiving services, supervise care arrangements, or guarantee the accuracy of information exchanged between users. Users are responsible for the content they share and must respect other users' privacy and comply with these Terms. Carezaar may introduce, modify, or discontinue communication features as the Platform develops.

3. No Professional Advice

Information, profiles, matching results, AI-generated outputs, and other Content made available through the Carezaar Platform are provided for general informational and matching purposes only. They are not a substitute for professional medical, nursing, legal, financial, or other professional advice. Carezaar does not diagnose medical conditions, assess medical necessity, prescribe treatment, create care plans, or determine whether a particular Caregiver is appropriate for an individual's needs. AI-assisted matching results do not constitute medical advice, clinical assessments, or guarantees of suitability. Users are responsible for independently evaluating information and deciding whether to enter into any arrangement. You should consult an appropriately qualified professional for questions requiring professional advice. In an emergency, contact 911 or the appropriate local emergency service.

4. Promotional Offers

Carezaar may offer promotions, special features, or other incentives from time to time. Any applicable terms, eligibility requirements, and expiration dates will be disclosed with the relevant offer. Unless otherwise stated, Carezaar may modify or discontinue a promotional offer prospectively, subject to any commitments already made and applicable law.

5. Modifications to the Platform or Services

Carezaar may add, modify, suspend, or discontinue features or portions of the Platform from time to time to improve functionality, address security concerns, comply with applicable law, or meet business needs. Where required by applicable law or an existing agreement, Carezaar will provide notice of material changes or interruptions. Carezaar does not guarantee that every feature will remain available indefinitely.

If you no longer agree to these Terms or to a material change where continued use would constitute acceptance, you may stop using the Platform and close your Account in accordance with the applicable account procedures. Nothing in this section excludes or limits any rights or remedies that cannot legally be excluded or limited.

Third-Party Content and External Websites

Content, information, profiles, images, links, and other materials may be made available through the Carezaar Platform by users or third parties. Such content may include information provided by Care Needers, Caregivers, businesses, or external service providers. Carezaar does not control all content submitted by users or provided by third parties and does not guarantee that such content is accurate, complete, current, reliable, lawful, or suitable for any particular purpose. Users are responsible for reviewing and independently verifying information before relying on it or entering into any arrangement with another user.

Carezaar may use automated systems, including artificial intelligence, to assist with matching users based on information provided through the Platform. Matching results and AI-generated outputs may contain errors, omissions, or inaccuracies and should not be relied upon as the sole basis for choosing a Caregiver or making decisions concerning an individual's care needs.

The Platform may contain links to third-party websites, applications, or services that are not owned or operated by Carezaar. These links are provided for convenience only. Carezaar does not control and is not responsible for the content, accuracy, availability, security, privacy practices, terms, products, or services of third-party websites or providers.

The inclusion of a third-party link does not constitute an endorsement, recommendation, or guarantee by Carezaar. Your access to and use of any third-party website or service is at your own discretion and subject to that third party's applicable terms and policies. You should review those terms and privacy policies before providing personal information or engaging with a third-party service.

To the extent permitted by applicable law, Carezaar disclaims responsibility for third-party content, external websites, and information supplied by other users, including claims arising from your reliance on such content or your interactions with third parties. Nothing in this section excludes or limits liability that cannot legally be excluded or limited.

Suspension and Termination

Carezaar reserves the right, to the extent permitted by applicable law, to suspend, restrict, or terminate your access to the Platform or any of its features, or to remove content or disable an Account, when we reasonably determine that such action is necessary to protect the Platform, its users, or its security; enforce these Terms; address suspected fraud, unlawful conduct, misuse, or safety concerns; comply with applicable law; or discontinue a feature or service.

Where reasonably practicable and appropriate under the circumstances, Carezaar may provide notice of a suspension, restriction, or termination. However, we may take immediate action without prior notice when necessary to address security risks, suspected unlawful conduct, threats to user safety, or other urgent circumstances.

You may stop using the Platform at any time and may request closure of your Account in accordance with the applicable account procedures. Suspension or termination of your Account does not automatically cancel any independent agreement between you and another user, resolve any outstanding obligations between users, or eliminate obligations that arose before termination. Users remain responsible for their own agreements and arrangements with one another.

Carezaar is a technology platform that facilitates connections between Care Needers and Caregivers. Suspension or termination of an Account does not mean that Carezaar has employed, hired, or dismissed a Caregiver, nor does it constitute termination of any independent caregiving arrangement between users.

To the extent permitted by applicable law, Carezaar will not be liable solely because it exercises its rights under this section in accordance with these Terms. Nothing in this section excludes or limits liability that cannot legally be excluded or limited.

Indemnification

To the maximum extent permitted by applicable law, you agree to indemnify, defend, and hold harmless Carezaar LLC and its owners, officers, directors, employees, contractors, affiliates, and service providers from and against third-party claims, liabilities, damages, losses, costs, and expenses, including reasonable attorneys' fees, arising out of or relating to:

(a) Content, information, or materials you submit, upload, post, or transmit through the Platform;

(b) Your use or misuse of the Platform;

(c) Your violation of these Terms of Use or applicable law;

(d) Your infringement or violation of the rights of another person or entity; or

(e) Your fraudulent, unlawful, or intentionally harmful conduct in connection with the Platform.

Carezaar is a technology platform that facilitates connections between Care Needers and Caregivers. To the extent permitted by applicable law, this indemnification provision may also apply to third-party claims arising from your independent arrangements or interactions with other users, including disputes concerning caregiving services, provided that the claim arises from your conduct or obligations and not from Carezaar's own acts or omissions.

Nothing in this section requires you to indemnify Carezaar or any other party for that party's own fraud, intentional misconduct, negligence, unlawful conduct, or other acts or omissions to the extent such indemnification is prohibited by applicable law. Carezaar will provide reasonable notice of any claim for which indemnification is sought, provided that a delay in notice will relieve you of your obligations only to the extent you are materially prejudiced by that delay. The handling and settlement of any claim will be subject to applicable law and any rights or obligations agreed upon by the parties. The obligations in this section will survive the termination of your Account or your use of the Platform to the extent necessary to address claims arising from events that occurred before termination.

Copyright Infringement Notices

Upon receiving a notice that substantially complies with applicable law, Carezaar may review the complaint and take appropriate action, which may include removing or disabling access to the allegedly infringing material and notifying the affected user. Carezaar may also terminate accounts of users who repeatedly infringe intellectual property rights, where appropriate and as permitted by applicable law.

If you believe your content was removed or disabled in error, you may contact Carezaar to dispute the decision. Where applicable, Carezaar will follow the procedures established by copyright law for counter-notifications and restoration of content.

Nothing in this section limits any rights or remedies available under applicable law.

Electronic Communications

Carezaar LLC communicates with users electronically through the Carezaar website, mobile application, email, in-app notifications, and other electronic means. By accessing or using the Carezaar Platform, you acknowledge that we may provide notices, agreements, disclosures, updates, and other communications electronically, subject to applicable law.

For contractual purposes, you consent to receive communications from Carezaar in electronic form and agree that electronic communications, including agreements, notices, and disclosures provided through the Platform or sent to your registered email address, satisfy any legal requirement that such communications be provided in writing, to the extent permitted by applicable law.

This consent applies to your interactions and transactions with Carezaar, including communications concerning your account, profile, matching opportunities, connection requests, messages, platform updates, security notices, and changes to our Terms of Use or other applicable policies. You may access these Terms of Use and other applicable policies through the Carezaar Platform, where available. You are responsible for keeping your registered email address and other contact information accurate and up to date so that you can receive important communications from us.

You may contact Carezaar to request information about available alternatives to electronic communications or to withdraw your consent where permitted by applicable law. However, if electronic communications are necessary to provide the Platform or maintain your account, withdrawing consent may prevent you from continuing to access or use certain features or services.

Any withdrawal of consent will not affect the legal validity of communications or transactions completed before the withdrawal takes effect. Nothing in this section limits any rights that cannot be waived under applicable law.

1. No Third-Party Beneficiaries Except as expressly provided in these Terms of Use, these Terms are intended solely for the benefit of Carezaar LLC and the users of the Carezaar Platform. Nothing in these Terms is intended to create any rights, benefits, or remedies in favor of any third party, except where expressly stated in these Terms or required by applicable law.

2. No Affiliation or Employment Relationship Your use of the Carezaar Platform does not create any partnership, joint venture, franchise, agency, employer-employee, or independent contractor relationship between you and Carezaar LLC. Carezaar operates as a platform designed to connect caregivers, individuals and families seeking care, and home care agencies. Unless expressly agreed in a separate written agreement, Carezaar is not the employer of caregivers, does not act as a home care agency providing care directly to users, and does not control the employment or contractual relationships formed between users through the Platform. Carezaar does not guarantee that caregivers will find employment, that care seekers will find suitable caregivers, or that home care agencies will find qualified candidates. Users are responsible for independently evaluating potential matches, verifying relevant qualifications and information, and determining the terms of any employment or service arrangement. Use of the Platform does not establish an employment relationship between Carezaar and any caregiver, care seeker, family member, or home care agency. The actual nature of any relationship between users will depend on their conduct and applicable law.

Arbitration and Dispute Resolution

PLEASE READ THIS SECTION CAREFULLY. It affects how certain disputes between you and Carezaar LLC may be resolved.

1. Governing Law

These Terms of Use and any dispute arising out of or relating to your use of the Carezaar website, mobile application, or services will be governed by the laws of the State of North Carolina, without regard to its conflict-of-law principles, except where applicable federal law or other mandatory law requires otherwise.

2. Agreement to Arbitrate

To the extent permitted by applicable law, Carezaar LLC and you may agree to resolve disputes arising out of or relating to these Terms of Use, your account, or your use of the Carezaar Platform through binding arbitration rather than a court proceeding. Any arbitration requirement will apply only to the extent a valid and enforceable arbitration agreement exists between the parties. This section does not, by itself, require arbitration unless the applicable agreement clearly establishes that obligation and complies with applicable law.

3. Exceptions

Nothing in this section prevents either party from bringing an eligible claim in small claims court or seeking temporary or other appropriate relief from a court when permitted by applicable law. Nothing in this section limits rights or remedies that cannot lawfully be waived.

4. Arbitration Procedures

If Carezaar and a user enter into an enforceable arbitration agreement, the arbitration will be conducted under the rules and procedures identified in that agreement. The applicable agreement will specify the arbitration provider, the procedures for initiating a claim, the allocation of arbitration fees and costs, and the location or method of the proceeding.

5. Individual Claims and Class Actions

Any limitation requiring disputes to be brought individually, or restricting participation in class, collective, or representative proceedings, will apply only if expressly agreed to in a valid and enforceable agreement and permitted by applicable law.

6. Severability

If any provision of this section is found to be invalid or unenforceable, the remaining provisions will remain in effect to the extent permitted by applicable law. Any invalid provision will be interpreted or limited only as necessary to comply with applicable law.

1. General Terms

You are responsible for complying with all applicable laws and regulations when accessing or using the Carezaar website, mobile application, and related services (collectively, the "Platform"). These Terms of Use and any dispute arising out of or relating to your use of the Platform will be governed by the laws of the State of North Carolina, without regard to its conflict-of-law principles, except where applicable federal law or mandatory law requires otherwise. To the extent permitted by applicable law, any legal action arising out of or relating to these Terms of Use or the Platform shall be brought in the state or federal courts located in North Carolina, and you consent to the jurisdiction of those courts. This provision is subject to any valid and enforceable arbitration agreement between you and Carezaar LLC. These Terms of Use are personal to you. You may not assign, transfer, or delegate your rights or obligations under these Terms without our prior written consent, except where permitted by applicable law. Any attempted assignment in violation of this provision may be considered void. Carezaar LLC may seek appropriate injunctive or other equitable relief when reasonably necessary to protect its rights, the Platform, its intellectual property, or its users, subject to applicable law. Section headings are included for convenience only and do not affect the interpretation of these Terms. Our failure or delay in exercising any right or enforcing any provision of these Terms does not constitute a waiver of that right or provision. Any waiver must be made in writing by an authorized representative of Carezaar LLC. A waiver of one breach does not constitute a waiver of any subsequent breach. These Terms of Use, together with the Privacy Policy and any other policies or agreements expressly incorporated into them, constitute the agreement between you and Carezaar LLC regarding your use of the Platform and supersede any prior agreements or understandings concerning the same subject matter. If any provision of these Terms is found to be invalid or unenforceable by a court of competent jurisdiction, that provision shall be limited or interpreted to the minimum extent necessary to make it enforceable, where legally permitted. If it cannot be enforced, it shall be severed, and the remaining provisions shall remain in full force and effect. Nothing in these Terms excludes or limits any rights or obligations that cannot be excluded or limited under applicable law.

2. Survival

Any provision of these Terms of Use that, by its nature, is intended to survive the termination or expiration of your account or your access to the Carezaar Platform shall survive such termination or expiration. These provisions may include, where applicable, intellectual property rights, ownership of content, disclaimers of warranties, limitations of liability, indemnification obligations, dispute resolution provisions, governing law, and any outstanding payment obligations that were validly incurred before termination. Termination of your account or use of the Platform does not affect any rights, remedies, obligations, or liabilities that accrued before termination. Any surviving provision shall remain effective only to the extent necessary to fulfill its purpose and as permitted by applicable law.

3. Consumer Complaints

If you have a complaint, concern, or dispute regarding the Carezaar website, mobile application, or services, you may contact Carezaar LLC using the contact information provided below. We will review complaints and respond as appropriate. Users may also contact the applicable consumer protection agency or regulatory authority in their jurisdiction to submit a complaint, where permitted by applicable law. Nothing in this section limits any rights or remedies available to users under applicable law.

4. Notices and Contact Information

Carezaar LLC may provide notices to you electronically, including by email to the email address associated with your account, through in-app notifications, or by posting notices on the Carezaar website or mobile application, where appropriate and permitted by applicable law. You may provide notices, questions, complaints, or reports of alleged violations of these Terms of Use by contacting Carezaar at: Carezaar LLC Email: info@carezaar.com You are responsible for keeping your account contact information accurate and up to date so that you can receive important communications from Carezaar. Notices will be considered received in accordance with applicable law and any specific notice requirements stated in these Terms of Use.
